PROGRAM PHILOSOPHY

The West Essex YMCA - long noted for providing innovative child care options - offers your child a safe and caring environment, where they can learn and have fun. Our **Kindergarten Enrichment Program (KEP)** reinforces skills that the children are currently learning in the Caldwell/West Caldwell district Kindergarten Program. Children participate in a variety of enrichment activities including: arts and crafts, sports, games and story time. The Kindergarten Enrichment Program takes place at the Harrison School and is open to children who are enrolled in Kindergarten at Wilson, Washington, Lincoln, or Jefferson Schools. Space is limited - early registration is recommended.

VACATION CARE

When school is closed (scheduled vacation days and emergency snow closings), Vacation Care programs are available at the West Essex YMCA. Programs run from 7:30am—6:00pm for an additional fee. Children participate in a variety of activities that include swimming and trips.

OUR STAFF MAKE THE DIFFERENCE

Each of our sites has a Site Supervisor in attendance, as well as trained Program Assistants, all supervised by the School Age Child Care Director.

Safety is our top priority. Transportation between programs is provided by a private school bus company. Children are escorted to/from their classrooms to the bus by a YMCA staff member. In addition, a Bus Aide supervises the children during transportation, ensuring that seat belts are used and a safe environment is maintained at all times.

TUITION

Tuition for all programs is based on the ten month school year calendar. The initial enrollment form, non-refundable annual Youth Program Membership fee, registration fee, first month's tuition and deposit (one month's tuition) must be received before your child can be registered in the program. The deposit is applied to the last month that your child is in the program. Monthly tuition payments are due on the first of each month.

A 10% sibling discount will be applied to the lesser tuition for families with more than one child participating in YMCA child care programs.

The YMCA is the local charity of choice. Financial assistance is available because at the West Essex YMCA no one is turned away because of inability to pay.
